Scheme of Delegation

15.11.2018

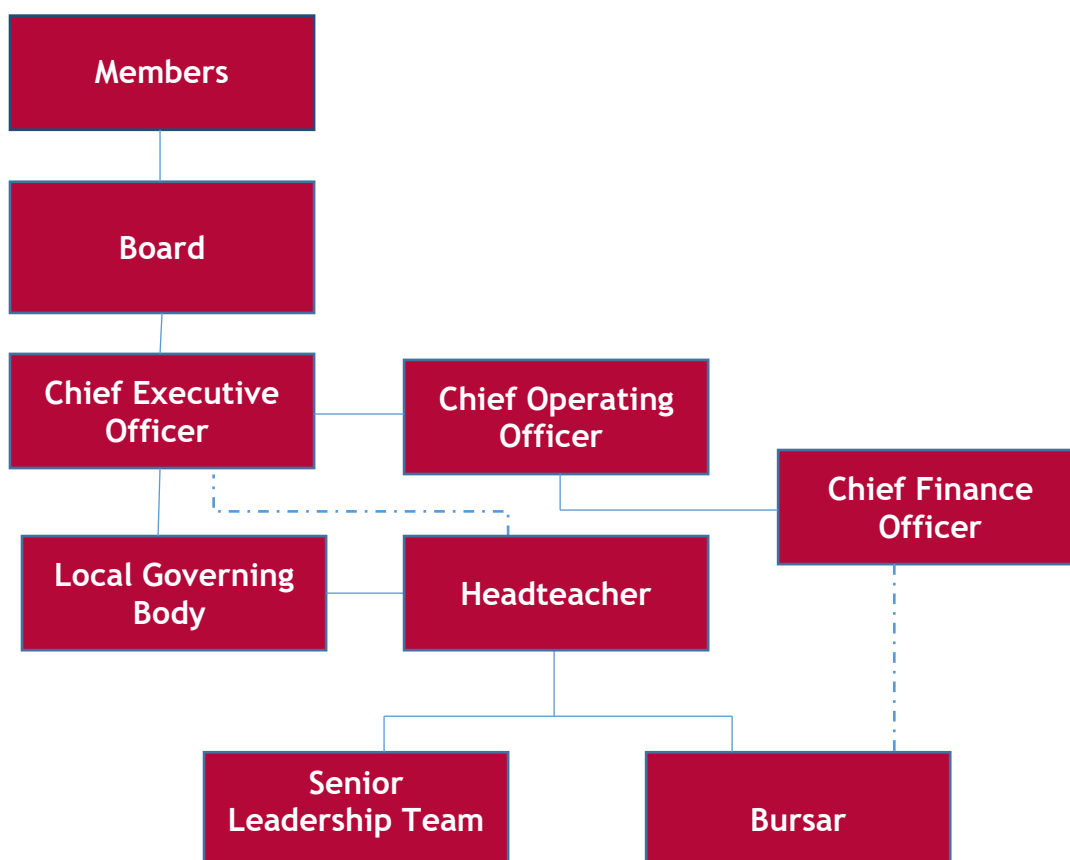

In this *Scheme of Delegation*, the column headings used have the following meanings:

- Development** The person or group who carries out the background or preparatory work on this area, for example drafting a policy, researching an issue, bringing forward a proposal
- Approval / Control** The person or group who has sign-off on this area and to whom any requests for changes must be made
- Implementation** The person or group responsible for carrying out the work and activity associated with this area. In many cases, where it is the Board of Directors (Board) or Local Governing Body (LGB) identified here, it will be the CEO or Headteacher respectively actually carrying out the associated tasks.
- Monitoring / Review** The person or group who will ensure that work or activity in this area is producing the desired impact

Where there are two groups or individuals shown, this represents a hierarchy of accountability.

No further delegation of responsibility or accountability in this *Scheme of Delegation* is permitted. However, the implementation of each area may not always be carried out by the named individual or group. The following describes the most likely delegation of action:

Notes:

Board *Board of Directors / Trustees* (including *Audit & Finance Committees*)
 LGB *Local Governing Body*
