Dear Applicant

Thank you for your interest in the post of Teacher of History. I hope that this information pack will help you to learn more about our fantastic school and that you will be excited about the prospect of joining our excellent team.

*Riddlesdown Collegiate* is an **outstanding** school (OFSTED, May 2016) with a clear vision to deliver successful outcomes and positive futures for all of our students. They are bright, well-motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our superb facilities enable us to provide the very best learning environment and learning experiences for our students and it is the combination of these factors that leads to the high academic standards and enviable reputation that *The Collegiate Trust* is known for. I am very proud of what we do and what we have achieved at the Collegiate and, as a *World Class School*, I hold the highest aspirations for what we will do and achieve in the future.

Whether you are at the very beginning of your career or are looking to develop your experience, *Riddlesdown Collegiate* is a great place for professional growth. NQTs benefit from a paid induction period, prior to appointment, and a well-established programme of support throughout the year, whilst more experienced colleagues have many opportunities to develop skills and extend their professional learning through an extensive and varied programme of professional development. Our aim in all appointments is to appoint colleagues who will share our aspirations and make a major contribution to building the best life chances for our students.

In applying to *Riddlesdown Collegiate*, you will need to understand our “small schools” model and your potential role within it. Our VALUES underpin the way in which we work and describe our high expectations and our emphasis on positive relationships across the Collegiate. Our motto, “*Learners of today, Leaders of tomorrow*”, applies as much to staff as it does to students and it gives an indication of the significance we place on nurturing talent and leadership. I shall make a presentation to shortlisted candidates at the start of the interview day to illustrate our structure further and outline our requirements for all colleagues who work with us.

I would be delighted to receive an application from you if, upon consideration, you feel that this role and the Collegiate may be right for you. To submit an application, please complete the form on our website, attaching where requested a statement of no more than two sides of A4, identifying clearly how you meet the person specification. If you have any further questions about this post or would like to arrange a visit prior to the interview day, I would be pleased to speak with you; please feel free to telephone me at the Collegiate.

Yours sincerely

Mr S Dey  
Principal

## Key Information

We operate a “small schools” model – one school made up of a number of smaller learning communities, which we call Colleges, each with their own staff and facilities. Each College is led by its own Headteacher (who is an Assistant Principal) and has its own team of approximately 25 teachers and non-teachers, covering most curriculum areas. Students join one of the Colleges in Year 7 and remain there for five years before transferring to College VI, our specialist post-16 provision. In addition, the Creative and Performing Arts (CPA) College delivers specialist education to students across the Collegiate in Art, Drama, Design Technology, Media, Music and Physical Education whilst the MacKay College co-ordinates inclusion services to students with additional needs. Small teams, working with just 400 students each, allow us to provide even better pastoral care to all students, as well as engage with learners and their families in more effective partnerships. They also provide teaching across the curriculum and learning teams focusing on personalised approaches and best serving the needs of the individual students in their care.

## Information about *The Collegiate Trust*

Our Trust works in the Crawley and Croydon areas with a clear vision to deliver *exceptional education for all*. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1<sup>st</sup> March 2018. A second secondary, *The Quest Academy* (in Croydon), joined on 1<sup>st</sup> June 2018 and two further primaries, *Courtwood Primary* and *Gilbert Scott Primary* (both in Croydon) joined on 1<sup>st</sup> September 2018.

Each school within the Trust is supported centrally by a designated *Director of School Improvement* on teaching and learning issues, the *Chief Operating Officer*, *Chief Finance Officer & HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust's Board of Directors.

## Our Values

## Our Students

The vast majority of our students join the Collegiate in Year 7 with above average attainment. Behaviour is outstanding and our students consistently demonstrate their desire to learn and to achieve. They enjoy coming to school (attendance is over 95%) and enjoy lessons where they can explore, investigate and feel challenged by their learning. They equally value the opportunities they have to learn outside of the classroom and we are proud of the extensive and varied extra-curricular programme that our students enjoy and benefit from. It is these additional, high quality learning experiences, together with a strong set of academic qualifications that we believe provides our students with the very best chances of success in their future lives.

## History at Riddlesdown Collegiate

Our aim with History teaching is to enable students to study aspects of the past which encourage them to understand the present world they live in, whilst at the same time allowing them to develop inquisitive minds and become independent learners. We hope to ensure that not only do students have a sound knowledge of the main areas of study but that they can critically assess them and formulate their opinions and rational judgements based on a variety of evidence.

Our Year 7 students follow the 'Excellence Curriculum', an integrated Humanities curriculum, taught by 'Excellence' teachers. In Year 8 and 9 all students are taught History for five lessons of fifty minutes a fortnight. At Key Stage 3 students currently study History thematically under four core themes: Conflict; Movement, Settlement and Empire; Everyday Life and Power, Democracy and Human Rights. In Year 8, students study the French Revolution; the Transatlantic Slave Trade; the Rise and Fall of the British Empire; the Industrial Revolution and World War One. In Year 9, students study the rights of Women and Black People of Britain and America; dictators; the changing nature of warfare and the Reformation in Europe. After May half-term, we begin the Early Elizabethan England topic of the GCSE course.

At Key Stage 4, we follow the reformed Pearson Edexcel GCSE History course. The students will sit three papers that cover: Superpower Relations and the Cold War 1941-1991; Early Elizabethan England 1558-88; Medicine in Britain 1250-present with Historical Environment and Weimar and Nazi Germany 1918-39. At A Level, we follow the reformed Pearson Edexcel course. Paper 1 is Russia 1917-91; Paper 2 is Mao's China, 1949-76 and Paper 3 is Britain 1785-1928. Coursework focuses on historian's interpretations of Votes for Women in Britain.

Schemes of Work, Teaching Notes and Assessments are consistently updated in line with the latest developments in History teaching. There is a strong ethos of team work and collaboration, with all members of the History team working to fulfil our vision that: History teaching and learning is innovative; our students have a 'thirst for learning' and they gain an enriching experience, both inside and outside of the classroom. This has been evidenced by a strong uptake of the subject at GCSE, A level and with students going on to study History at university.

Historical visits are an important part of our History syllabus and, to this end, we have run residential trips for Year 11, 12 and 13 students to Europe, our most recent trip was to Berlin. Learning outside of the classroom is an important part of our approach.

We are extremely passionate about our subject and the importance of it within a school curriculum.
