Dear Colleague

National Professional Qualification in Middle Leadership (NPQML) – Cohort 7

National Professional Qualification in Senior Leadership (NPQSL) – Cohort 7

As part of our ongoing commitment to support schools more widely, I am delighted to let you know that *The Collegiate Trust* is offering the NPQML and NPQSL programmes in partnership with **UCL Institute of Education**. NPQML and NPQSL are well established qualifications and highly regarded routes which develop leadership understanding and skills; they can therefore deliver high quality leadership development for your team.

The course delivery will be at *Riddlesdown Collegiate*, incorporating *Covid-19 secure* face-to-face sessions when appropriate, online delivery and virtual learning opportunities. The programme content will be scheduled over four days for NPQML and five days for NPQSL, beginning in November 2020 and ending in April 2022. The programmes will be facilitated by experienced and successful leaders from our Trust, which will mean that we can deliver a real focus on your professional learning needs.

The costs and content of the programme are summarised on the attached flyers. Should a colleague be interested in applying for one of these programmes, the application can be accessed [here](#). When making the application, please select our cluster – **Leading Professional Learning (Croydon & Crawley)**.

Should you have any further questions, please email our *Director of School Improvement (Leadership) – Linda Harvey* – at linda.harvey@tct-academies.org.

Yours sincerely
