Welcome

Dear Applicant

A very warm welcome to the Quest Academy. We are a great place to begin or further your teaching or support staff career.

At the Quest we know that having great people is our biggest asset and we work very hard to make sure that the posts we offer, the professional development we provide and the environment we create are the cornerstones of a highly successful Academy on a journey from 'good' to 'outstanding'.

As a new or experienced colleague, you'll be joining an Academy which has already demonstrated considerable success. In the main Academy all of our students make excellent progress above the national average by the end of Year 11 (Our Progress 8 figure is +0.25 as an average over the last 4 years) and in our thriving Sixth Form, Quest6, nearly all of our students pass every subject (100% A*-E in 2016, 2017 and 2020) and an impressive record of sending almost every student to University, including Oxbridge.

I know that the atmosphere at the Academy and the climate in the classroom are key considerations for staff. At the Quest we have created a disciplined environment where you can share the passion of your vocation with well-behaved and curious learners. Levels of attendance are above the national average because our students enjoy coming to school and we have very well-crafted systems of support in place to make sure there is no distraction from learning in the classroom.

We also believe we are outstanding in the support we provide for staff development. We have achieved the 'CLPD Gold Mark' for our professional development work. We run in-house training sessions every week to update and further our colleague's skills and we offer part time taught Masters and Doctorate programmes with Christ Church Canterbury University for more experienced teaching staff. In addition, for newly qualified teachers we have a bespoke induction programme. There really are unparalleled opportunities available to those joining our team.

We are also very fortunate to occupy a stunning 17 million pound building with extensive grounds which we moved into in 2014. Every teaching area is brand new and across the campus we have invested in nearly one million pounds of cutting edge IT equipment to support learning.

Geographically we are ideally located just 15 minutes from the M25, forty minutes from central London by train and Croydon itself is undergoing major investment as a place to work and live. Rents are relatively low for London and the town centre, with venues such as Boxpark and the Southend restaurant quarter, mean there is always something to do.

I do hope that our vacancy will be of interest to you. We welcome visits at any time to see us at work so that we can show you all of this in person.

With best wishes

We offer a wide range of enrichment activities to extend learning in a range of contexts and promote leadership, teamwork, reflection, confidence and high self-esteem.

We are constantly searching for new ways to encourage participation and service to others as the basis for the development of lifelong learning and a happy and successful life.

Information about *The Collegiate Trust*

Our Trust works in the Crawley and Croydon areas with a clear vision to deliver *exceptional education for all*. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1st March 2018. *The Quest Academy* joined the Trust on 1st June 2018 and *Courtwood Primary* and *Gilbert Scott Primary* joined the Trust on 1st September 2018.

Each school within the Trust is supported centrally by a designated *Director of School Improvement* on teaching and learning issues, the *Chief Operating Officer*, *Finance Manager* & *HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust's Board of Directors.

Our Values

Strong moral values underpin the ethos of The Quest Academy. We welcome students from a wide range of cultural and faith (or non-faith) backgrounds and expect all families to value and support the moral values at the heart of all aspects of life at The Quest Academy.

We foster understanding, tolerance and mutual respect whilst producing confident, capable and respectful young people. At all times, we aim to create an environment that nurtures and develops:

- Integrity
- Compassion
- Respect
- Tolerance
- Kindness
- Courage
- Generosity
- A life-long love of learning

These values make The Quest Academy a positive and inclusive community in which all students feel safe, valued and part of the family.

Quest6

Students at The Quest Academy's 6th Form, Quest6, have excelled across the range of courses that are on offer. Since 2015, students have achieved a 96% pass rate at A Level and every single Sixth Form student has gone on to further study at degree or advanced apprenticeship level.

In addition to academic excellence, Quest6 is a positive, rich and innovative learning environment where every student can achieve excellence in all that they do, in the classroom and beyond it. We offer a wide range of enrichment activities to extend learning in a range of contexts and promote leadership, teamwork, reflection, confidence and high self-esteem.

Students at Quest6 (and staff) have access to cutting-edge, state-of-the-art facilities that – for at least the foreseeable future – are arguably the best that Greater London has to offer. A dedicated social study area, seminar-style teaching rooms, brand new technology as well as access to all of Quest's new buildings ensure that current and future Quest6 students will learn in a modern, peaceful, exceptional education environment.
