Dear Applicant

Thank you for your interest in the post of *Teacher of Modern Foreign Languages* (French up to A Level, with ability to offer KS3/GCSE Spanish an advantage). I hope that this information pack will help you to learn more about our fantastic school and that you will be excited about the prospect of joining our excellent team.

*Riddlesdown Collegiate* is an **outstanding** school (OFSTED, May 2016) with a clear vision to deliver successful outcomes and positive futures for all of our students. They are bright, well-motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our superb facilities enable us to provide the very best learning environment and learning experiences for our students and it is the combination of these factors that leads to the high academic standards and enviable reputation that *The Collegiate Trust* is known for. I am very proud of what we do and what we have achieved at the Collegiate and, as a *World Class School*, I hold the highest aspirations for what we will do and achieve in the future. You might like to watch our [Welcome](#), [College VI](#) and [Teaching at Our School](#) videos.

Whether you are at the very beginning of your career or are looking to develop your experience, *Riddlesdown Collegiate* is a great place for professional growth. NQTs benefit from a paid induction period, prior to appointment, and a well-established programme of support throughout the year, whilst more experienced colleagues have many opportunities to develop skills and extend their professional learning through an extensive and varied programme of professional development. Our aim in all appointments is to appoint colleagues who will share our aspirations and make a major contribution to building the best life chances for our students.

In applying to *Riddlesdown Collegiate*, you will need to understand our “small schools” model and your potential role within it. Our VALUES underpin the way in which we work and describe our high expectations and our emphasis on positive relationships across the Collegiate. Our motto, “*Learners of today, Leaders of tomorrow*”, applies as much to staff as it does to students and it gives an indication of the significance we place on nurturing talent and leadership. I shall make a presentation to shortlisted candidates at the start of the interview day to illustrate our structure further and outline our requirements for all colleagues who work with us.

I would be delighted to receive an application from you if, upon consideration, you feel that this role and the Collegiate may be right for you. To submit an application, please complete the form on our website, attaching where requested a statement of no more than two sides of A4, identifying clearly how you meet the person specification. If you have any further questions about this post, I would be pleased to speak with you; please feel free to telephone me at the Collegiate.

Yours sincerely

Mr S Dey  
Principal

## Key Information

We operate a “small schools” model – one school made up of a number of smaller learning communities, which we call Colleges, each with their own staff and facilities. Each College is led by its own Headteacher (who is an Assistant Principal) and has its own team of approximately 25 teachers and non-teachers, covering most curriculum areas. Students join one of the Colleges in Year 7 and remain there for five years before transferring to College VI, our specialist post-16 provision. In addition, the Creative and Performing Arts (CPA) College delivers specialist education to students across the Collegiate in Art, Drama, Design Technology, Media, Music and Physical Education whilst the MacKay College co-ordinates inclusion services to students with additional needs. Small teams, working with just 400 students each, allow us to provide even better pastoral care to all students, as well as engage with learners and their families in more effective partnerships. They also provide teaching across the curriculum and learning teams focusing on personalised approaches and best serving the needs of the individual students in their care.

## Information about *The Collegiate Trust*

Our Trust works in the Crawley and Croydon areas with a clear vision to deliver *exceptional education for all*. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1<sup>st</sup> March 2018. A second secondary, *The Quest Academy* (in Croydon), joined on 1<sup>st</sup> June 2018 and two further primaries, *Courtwood Primary* and *Gilbert Scott Primary* (both in Croydon) joined on 1<sup>st</sup> September 2018.

Each school within the Trust is supported centrally by a designated *Director of School Improvement* on teaching and learning issues, the *Chief Operating Officer*, *Chief Finance Officer & HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust's Board of Directors.

## Our Values

Our ethos is to be a community in which all members are valued and value each other. We are the leaders of the Riddlesdown community, responsible for our learning and the Collegiate. We work together to maximise our own achievement and those of others. In applying for a post at Riddlesdown Collegiate, applicants should consider how they would promote our values in their day-to-day work with students, colleagues and other stakeholders.

## Our Students

The vast majority of our students join the Collegiate in Year 7 with above average attainment. Behaviour is outstanding and our students consistently demonstrate their desire to learn and to achieve. They enjoy coming to school (attendance is over 95%) and enjoy lessons where they can explore, investigate and feel challenged by their learning. They equally value the opportunities they have to learn outside of the classroom and we are proud of the extensive and varied extra-curricular programme that our students enjoy and benefit from. It is these additional, high quality learning experiences, together with a strong set of academic qualifications that we believe provides our students with the very best chances of success in their future lives.

## Modern Foreign Languages at Riddlesdown Collegiate

Modern Foreign Languages at Riddlesdown Collegiate is exceptionally wide ranging and successful. In addition to strong examination results, the department encourages confident communication, academic rigour and high levels of literacy and cultural awareness.

We are a strong team of 6 members of staff, with a diverse mixture of personalities and talents, native and non-native specialists. We aim to provide students with a tool for life, a command of a foreign language that will enable successful and meaningful communication in all types of situations. In parallel to this, we have a constant desire to develop our students' appreciation of the Hispanic and Francophone worlds, in particular.

The curriculum incorporates contexts familiar to students in their everyday lives and teaches them key grammar, vocabulary and phonics needed to communicate in topics that interest them. Currently, all KS3 students in Phoenix and Aquila Colleges study French and all KS3 students in Pegasus and Orion Colleges study Spanish. The most able students study both languages from Year 8. We have a strong uptake of students continuing both French and Spanish to GCSE. We follow the AQA GCSE curriculum which builds upon, consolidates and extends the work that has been completed in KS3 to enable students to achieve the very highest grades. Our current A Level students are studying *Entre Les Murs* in French and in Spanish students are studying *Volver*.

Students in Years 7 and 8 participate in various competitions, including the Foreign Language Spelling Bee and Translation Bee. Students across the Collegiate have the opportunity to attend foreign language film study trips at the *BFI London* and cultural visits abroad, most recently to Normandy and Barcelona. We also organise a range of activities for the European Day of Languages in September and have a particularly effective mentoring scheme whereby KS4 students mentor our Year 7 students.

MFL GCSE Results for 2019 were impressive: 86% of students taking languages awarded grades 9-4 (198 candidates) and we have an increasing number of students taking both Spanish and French at A Level – this is certainly an exciting time to join a strong and successful team.
