Dear Applicant

Thank you for your interest in the post of *Teacher of Music*. I hope that this information pack will help you to learn more about our fantastic school and that you will be excited about the prospect of joining our excellent team.

Riddlesdown Collegiate is an **outstanding** school (OFSTED, May 2016) with a clear vision to deliver successful outcomes and positive futures for all of our students. They are bright, well-motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our superb facilities enable us to provide the very best learning environment and learning experiences for our students and it is the combination of these factors that leads to the high academic standards and enviable reputation that *The Collegiate Trust* is known for. I am very proud of what we do and what we have achieved at the Collegiate and, as a *World Class School*, I hold the highest aspirations for what we will do and achieve in the future. You might like to watch our [Welcome](#), [College VI](#) and [Teaching at Our School](#) videos.

Whether you are at the very beginning of your career or are looking to develop your experience, *Riddlesdown Collegiate* is a great place for professional growth. NQTs benefit from a paid induction period, prior to appointment, and a well-established programme of support throughout the year, whilst more experienced colleagues have many opportunities to develop skills and extend their professional learning through an extensive and varied programme of professional development. Our aim in all appointments is to appoint colleagues who will share our aspirations and make a major contribution to building the best life chances for our students.

In applying to *Riddlesdown Collegiate*, you will need to understand our “small schools” model and your potential role within it. Our VALUES underpin the way in which we work and describe our high expectations and our emphasis on positive relationships across the Collegiate. Our motto, “*Learners of today, Leaders of tomorrow*”, applies as much to staff as it does to students and it gives an indication of the significance we place on nurturing talent and leadership. I shall make a presentation to shortlisted candidates at the start of the interview day to illustrate our structure further and outline our requirements for all colleagues who work with us.

I would be delighted to receive an application from you if, upon consideration, you feel that this role and the Collegiate may be right for you. To submit an application, please complete the form on our website, attaching where requested a statement of no more than two sides of A4, identifying clearly how you meet the person specification. If you have any further questions about this post, I would be pleased to speak with you; please feel free to telephone me at the Collegiate.

Yours sincerely

Mr S Dey
Principal

Key Information

We operate a “small schools” model – one school made up of a number of smaller learning communities, which we call Colleges, each with their own staff and facilities. Each College is led by its own Headteacher (who is an Assistant Principal) and has its own team of approximately 25 teachers and non-teachers, covering most curriculum areas. Students join one of the Colleges in Year 7 and remain there for five years before transferring to College VI, our specialist post-16 provision. In addition, the Creative and Performing Arts (CPA) College delivers specialist education to students across the Collegiate in Art, Drama, Design Technology, Media, Music and Physical Education whilst the MacKay College co-ordinates inclusion services to students with additional needs. Small teams, working with just 400 students each, allow us to provide even better pastoral care to all students, as well as engage with learners and their families in more effective partnerships. They also provide teaching across the curriculum and learning teams focusing on personalised approaches and best serving the needs of the individual students in their care.

Information about *The Collegiate Trust*

Our Trust works in the Crawley and Croydon areas with a clear vision to deliver *exceptional education for all*. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1st March 2018. A second secondary, *The Quest Academy* (in Croydon), joined on 1st June 2018 and two further primaries, *Courtwood Primary* and *Gilbert Scott Primary* (both in Croydon) joined on 1st September 2018.

Each school within the Trust is supported centrally by a designated *Director of School Improvement* on teaching and learning issues, the *Chief Operating Officer*, *Chief Finance Officer & HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust's Board of Directors.

Our Values

Our ethos is to be a community in which all members are valued and value each other. We are the leaders of the Riddlesdown community, responsible for our learning and the Collegiate. We work together to maximise our own achievement and those of others. In applying for a post at Riddlesdown Collegiate, applicants should consider how they would promote our values in their day-to-day work with students, colleagues and other stakeholders.

Value each other

Aim high

Lead by example

Use and develop our talents

Excel in our efforts

Stick at it

Our Students

The vast majority of our students join the Collegiate in Year 7 with above average attainment. Behaviour is outstanding and our students consistently demonstrate their desire to learn and to achieve. They enjoy coming to school (attendance is over 95%) and enjoy lessons where they can explore, investigate and feel challenged by their learning. They equally value the opportunities they have to learn outside of the classroom and we are proud of the extensive and varied extra-curricular programme that our students enjoy and benefit from. It is these additional, high quality learning experiences, together with a strong set of academic qualifications that we believe provides our students with the very best chances of success in their future lives.

Music at Riddlesdown Collegiate

The Music team is a busy and vibrant one. We aim to foster an environment that both encompasses excellence and encourages students to develop their creativity, to take risks and to participate in musical activities. The three full-time members of the team lead by example and are very much practical musicians, performing alongside students. We aim to equip our students with the skills to enjoy music throughout their life whether they wish to study music further or just enjoy listening to their favourite band.

We stage many events throughout the year. As well as providing music for our Collegiate GCSE and A level Celebration Evening, we hold a large-scale Christmas Concert and perform five College Carol Services at the end of the Autumn Term. During the Spring Term, we team up with Drama, Art and DT to stage a whole scale musical. Musicals we have performed recently include 'Les Miserables', 'The Pirates of Penzance', 'West Side Story' and 'Oliver'. Our productions involve a full orchestra made up of Riddlesdown students. Our last big event of the year is a large-scale Summer Concert and Awards Ceremony in July. Throughout the academic year, we hold inter College Competitions, including *The Riddlesdown Young Musician of the Year*. All Year 7 students take part in a *Choir of the Year* competition where every student has the opportunity to perform on the main stage. Musicians also perform at other Collegiate events throughout the year including providing the music for College Showcase and Awards Evenings.

The department runs various extra-curricular groups including two choirs, numerous Year Group vocal ensembles, a string group, Jazz Band, two orchestras, brass ensembles, clarinet and flute choirs, and a Samba Band. We also encourage students to run their own extra-curricular ensembles; recently we have seen the development of two Ukulele Orchestras that are totally student led. We also run a staff choir!

We have performed at many events with the London Mozart Players and the Grand Union Orchestra, both at Fairfield Halls, and have partaken in a number of projects with Croydon Music and Arts, Orchestra for All, and The Royal Academy of Music. We regularly take our students to matinees at the Royal Opera House.

The department houses a fully equipped Recording Studio. We also have two Music rooms that house Mac computers with Sibelius and Logic for students to use. We are constantly striving to effectively increase our use of music technology and recently have incorporated bandlab and flat.io into composition units at KS3.

At Key Stage 3 appraising, composing, and performing are fully integrated within the curriculum. Students study notation and are taught to perform both vocally and on the keyboard. We encourage those who have instrumental lessons to use these skills within the music classroom. We study many different genres and we aim to develop students' skills, knowledge and understanding across a wide range of music. Examples of topics include West African Drumming, The Blues, Film Music, The Baroque and Classical Eras, Programme Music, and Music for Social Change. At Key Stage 4 students can choose to continue studying GCSE Music. Both Key Stage 4 and Key Stage 5 students study the Edexcel specification. Our KS4 and KS5 Music students are very actively involved within the department and often take on leadership roles within ensembles.

We are a very reflective team and constantly update our curriculum to ensure it is diverse and reflects current pedagogical thinking. We are very keen to promote cross-curricular projects across all Key Stages and seek opportunities to do this within the Collegiate and across The Collegiate Trust. Our team works with other schools in the Trust to help them develop and build their delivery of Music.

The Music department ethos is to develop well rounded and well-read Musicians, stretching the most able but also ensuring that Music is inclusive and is for everyone!
