Opened almost 50 years ago, *Courtwood Primary School* is an established and important part of our local community and is at an exciting time in its development. Courtwood pupils are well motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our facilities enable us to provide the very best learning environment and learning experiences for our pupils and it is the combination of these factors that leads to the improving standards at our school and the enviable reputation that *The Collegiate Trust* has built. I am very proud of what we do and what we have achieved at *Courtwood* and I hold the highest aspirations for what we will do and achieve in the future.

Whether you are at the very beginning of your career or are looking to develop your experience, a school within *The Collegiate Trust* is a great place for professional growth. Information about *The Collegiate Trust*

TCT works in the Crawley and Croydon areas with a clear vision to deliver *exceptional education for all*. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1st March 2018. *The Quest Academy* joined the Trust on 1st June 2018 and *Courtwood Primary* and *Gilbert Scott Primary* joined the Trust on 1st September 2018. *Kenley Primary School* joined most recently in September 2021.

TCT educates over 4,400 children and young people from nursery up to 18 years of age. The responsibility that places on us is huge, but we are excited by the positive impact we already have on the lives of so many. We also employ almost 700 staff and recognise our responsibilities as an employer in looking after the great people who work with us. Our work in developing pedagogy is built on the very best classroom practice and we are driven by our determination to make a difference to our pupils and students; we want each of them to get a great education as a result of attending one of our academies. Six out of seven of our schools are judged good or better with OFSTED: *Riddlesdown* improved to *outstanding* in 2016 and *Gossops Green* improved to *good* in September 2019 at its first inspection since joining the Trust; we are looking forward to the first inspection of *Gilbert Scott* as a part of our family, which has been delayed due to the pandemic.

Each school within the Trust is supported centrally by the Director of Education and school improvement team on teaching and learning issues, the *Chief Operating Officer*, *Finance Manager* & *HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust's Board of Directors.

Our Values

Learning Behaviours

We encourage our children to be active members of the school community and always give 100% to what they do. Our learning behaviours to be successful are:

Resilience
Independence
Perseverance
Practise
Listening
Effort

At Courtwood each pupil has a right to the following:

- A right to learn
- A right to be safe
- A right to be treated fairly
- A right to be happy
- A right to be listened to

Each class will spend time discussing with their class teacher, the responsibilities that they have alongside these rights.

Teaching at Courtwood Primary School

At *Courtwood Primary*, we believe that intelligence is not fixed and work as a *growth mindset* school.

We use a variety of teaching methods including both mixed and matched ability groups. Assessment for learning is essential to our approach to understanding our pupils' needs and have the best impact on their learning.

We remove barriers to *growth mindset* so that children:

- recognise that intelligence can continually be improved through effort
- thrive on challenge
- throw themselves into difficult tasks
- are self-confident
- ignore the sometimes lower aspirations of those in the world around them
- react to failure by trying harder
- engage in self-monitoring
- have learning goals

- like feedback on their performance so they can improve
- are not driven by rewards but by the intrinsic worth of the learning task
- value process over product (it is the learning that matters)
