Thank you for your interest in the post of *Teacher of Religion and Worldviews*. I hope that this information pack will help you to learn more about our fantastic school and that you will be excited about the prospect of joining our excellent team.

Riddlesdown Collegiate is an **outstanding** school (OFSTED, May 2016) with a clear vision to deliver successful outcomes and positive futures for all of our students. They are bright, well-motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our superb facilities enable us to provide the very best learning environment and learning experiences for our students and it is the combination of these factors that leads to the high academic standards and enviable reputation that *The Collegiate Trust* is known for. I am very proud of what we do and what we have achieved at the Collegiate and, as a *World Class School*, I hold the highest aspirations for what we will do and achieve in the future. You might like to watch our [Welcome](#), [College VI](#) and [Teaching at Our School](#) videos.

Whether you are at the very beginning of your career or are looking to develop your experience, *Riddlesdown Collegiate* is a great place for professional growth. ECTs benefit from a paid induction period, prior to appointment, and a well-established programme of support throughout the year, whilst more experienced colleagues have many opportunities to develop skills and extend their professional learning through an extensive and varied programme of professional development. Our aim in all appointments is to appoint colleagues who will share our aspirations and make a major contribution to building the best life chances for our students.

In applying to *Riddlesdown Collegiate*, you will need to understand our “small schools” model and your potential role within it. Our VALUES underpin the way in which we work and describe our high expectations and our emphasis on positive relationships across the Collegiate. Our motto, “*Learners of today, Leaders of tomorrow*”, applies as much to staff as it does to students and it gives an indication of the significance we place on nurturing talent and leadership. I shall make a presentation to shortlisted candidates at the start of the interview day to illustrate our structure further and outline our requirements for all colleagues who work with us.

I would be delighted to receive an application from you if, upon consideration, you feel that this role and the Collegiate may be right for you. To submit an application, please complete the form on our website, attaching where requested a statement of no more than two sides of A4, identifying clearly how you meet the person specification. If you have any further questions about this post, I would be pleased to speak with you; please feel free to telephone me at the Collegiate.

Yours sincerely

Mrs K Turner
Principal

Key Information

We operate a “small schools” model – one school made up of a number of smaller learning communities, which we call Colleges, each with their own staff and facilities. Each College is led by its own Headteacher (who is an Assistant Principal) and has its own team of approximately 25 teachers and non-teachers, covering most curriculum areas. Students join one of the Colleges in Year 7 and remain there for five years before transferring to College VI, our specialist post-16 provision. In addition, the Creative and Performing Arts (CPA) College delivers specialist education to students across the Collegiate in Art, Drama, Design Technology, Media, Music and Physical Education whilst the MacKay College co-ordinates inclusion services to students with additional needs. Small teams, working with just 400 students each, allow us to provide even better pastoral care to all students, as well as engage with learners and their families in more effective partnerships. They also provide teaching across the curriculum and learning teams focusing on personalised approaches and best serving the needs of the individual students in their care.

Information about *The Collegiate Trust*

Our Trust works in the Crawley and Croydon areas with a clear vision to deliver *exceptional education for all*. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1st March 2018. A second secondary, *The Quest Academy* (in Croydon), joined on 1st June 2018 and two further primaries, *Courtwood Primary* and *Gilbert Scott Primary* (both in Croydon) joined on 1st September 2018. Most recently, *Kenley Primary* joined on 1st September 2021.

Each school within the Trust is supported centrally by a designated *Director of School Improvement* on teaching and learning issues, the *Chief Operating Officer*, *Chief Finance Officer* & *HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust’s Board of Directors.

Our Values

Our ethos is to be a community in which all members are valued and value each other. We are the leaders of the Riddlesdown community, responsible for our learning and the Collegiate. We work together to maximise our own achievement and those of others. In applying for a post at Riddlesdown Collegiate, applicants should consider how they would promote our values in their day-to-day work with students, colleagues and other stakeholders.

Value each other

Aim high

Lead by example

Use and develop our talents

Excel in our efforts

Stick at it

Our Students

The vast majority of our students join the Collegiate in Year 7 with above average attainment. Behaviour is outstanding and our students consistently demonstrate their desire to learn and to achieve. They enjoy coming to school (attendance is over 95%) and enjoy lessons where they can explore, investigate and feel challenged by their learning. They equally value the opportunities they have to learn outside of the classroom and we are proud of the extensive and varied extra-curricular programme that our students enjoy and benefit from. It is these additional, high quality learning experiences, together with a strong set of academic qualifications that we believe provides our students with the very best chances of success in their future lives.

Religion and Worldviews at Riddlesdown Collegiate

Religion and beliefs inform our values and are reflected in what we say and how we behave. For this reason, at Riddlesdown Collegiate, Religion and Worldviews (RW) remains a core subject, with all students being taught across Key Stages 3 and 4, culminating in GCSE examination. Our aim is for students to develop moral awareness and social understanding of the religions and beliefs which form part of contemporary society. We strive to ensure that students have an understanding of religion, and actively debate challenging questions about the meaning and purpose of life, beliefs about God, issues of right and wrong, and what it means to be human.

As a subject area, the department has seen considerable advance in recent years and examination results at GCSE have placed us amongst the best in the Collegiate. Historically, outcomes are well above the national average and in 2022, 84% of candidates attained GCSE, with many students achieving Grade 8 or above (full details of which can be found on the Collegiate website). There is a strong team ethos, with the department currently housing four full-time teachers as well as a part-time member of staff. Schemes of work and lessons are in place, alongside numerous resources, and there is an excellent cross-curricular relationship. All programmes of study, lessons and assessments are regularly updated in line with the latest developments in Religion and Worldviews teaching and government reform. Curriculum Development Time allows practice to remain current and exciting. In addition, links to religion in wider society are made through extra-curricular trips and visits from local religious leaders and outreach speakers; past events have included Holocaust survivor talks, Diwali workshops, Muslim and Christian seminars, Humanist debates and charity initiatives.

At KS3, Year 7 students study Religion and Worldviews through the Excellence Curriculum – an integrated approach which also delivers Geography, History and PSHCE, and simultaneously develops strong learning habits and approaches to support students as they progress. In Year 8, RW sees four taught lessons per fortnight. Topics covered include beliefs and practice of the main world religions, as well as profiles of important individuals and analysis of scriptures from the major faiths. The curriculum intent is to provide a balanced and coherent content whilst providing students with the best possible foundation of knowledge, understanding and skills to take forward to GCSE. Within RW, Year 8 students are encouraged to develop links with society through a Citizenship element, which is reflective of both the ethos of the Collegiate and the Riddlesdown VALUES. This element provides insight of social awareness and what it means to be British.

All students in Year 9 begin study for their GCSE exam, which they will sit at the end of Year 10. The GCSE course gives students the opportunity to study two world religions in detail where students examine the key features of Christianity and Islam, compare their similarities and differences, and consider the role they have in the world today. Students also learn the values and traditions that form the basis of these religions and how they approach the moral issues which are evident in modern societies. In addition to these religious beliefs, students are required to consider non-religious and humanist views.

Through Religion and Worldviews, we seek to deliver a creative and inspiring curriculum, enabling all students to enjoy and achieve. As the German philosopher, Karl Schlegel wrote, “religion is not only a part of education, an element of humanity, but the centre of everything else, always the first and the ultimate, the absolutely original”.
